

# Wickliffe

The Wickliffe floor plan provides 1,321 square feet of heated/cooled space, with a total of 1,435 square feet of under roof space.

The square footage and other dimensions on our floor plans are approximate. Renderings are not intended to be an accurate representation of the home and are often shown with optional features and/or third-party additions that can be added at additional cost if available in your region or situation.
