# ecobee for Pro

# Smart Thermostat ENHANCED

# Delivering automatic savings and comfort.

5-year warranty with professional installation, seamless integration into smart home systems, and advanced occupancy sensor technology.

# Why pros love us.

## **Simple**

Comes with everything needed for a quick and easy installation, including screws and drywall plugs, trim plate with built-in adaptor plate, PEK, wiring diagrams and a quick start guide.

## Reliable

Doesn't need charging, or other power sources. Included Power Extender Kit for hardwired installations without a C wire.

#### **Built to last**

Designed with quality materials to last for 10 years. Industry leading 5-year warranty when installed by a professional.

#### **Seamless integrations**

Works with the most popular smart home systems and is the only smart thermostat that doubles as a security hub to monitor unexpected activity.\*

ecobee | SmartBuildings

# Why homeowners love us.

# **Automatic savings**

Homeowners save up to 26%\*\* per year on heating or cooling costs. ENERGY STAR® certified.

#### Comfort

Automatically adjusts to the desired temperature when homeowner is home or sleeping. Pre-heats or pre-cools the home before homeowner arrives home.

## **Enhanced design**

Beautifully redesigned with thicker glass, a larger screen for easier navigation, our most advanced sensors ever, and an indicator to show the heating and cooling status.

# Doubles as home monitoring hub

Presence detection to alert of issues when homeowners is away, and freeze detection to notify of sudden temperature drops.

\*ecobee Smart Security subscription required

\*\*Compared to a hold of 72°F/22°C.

## **Support Hours**

Available 8am-11pm (Mon-Fri) and 9am-9pm (Sat-Sun). 1.866.518.6740 | support@ecobee.com | ecobee.com/contractors

# Smart Thermostat ENHANCED

#### Compatibility

Works with most 24 VAC HVAC equipment: Gas, oil, electric, dual fuel, forced air Conventional (2H/2C) Heat pump (3H/2C) - 2 stage heat pump +

1 stage AUX / 2 stage cool

Boilers

PTACs or fan coil units with up to 3 fan speeds

#### **HVAC** accessory support

Control a one-wire HVAC accessory device like a humidifier, dehumidifier, or ventilator. (HRV/ERV)

**Note:** Self-powered accessories will require an additional 24V isolation relay.

#### **Wire Terminals**

С	R	G
Y1	Y2	W1
W/2/OB	DEKT	

#### **Connectivity and security**

Dual-band Wi-Fi: 802.11 b/g/n @ 2.4GHz, 802.11 a/n/ac @ 5GHz Bluetooth 5.0, A2DP, LE WPA, WPA2, WPA3 encryption methods DHCP (dynamic) or static IP addressing 168-bit SSL encryption 915MHz radio

#### **Power consumption**

3 VA

#### **Bandwidth**

15MB/Mo

## Works with other ecobee products

Seamless connects to:
ecobee Smart Security (subscription
required)
SmartSensors
SmartSensors for doors and windows

SmartCamera with voice control

#### **Powering method**

Hardwired. Power Extender Kit enables you to reliably power your thermostat if a C-wire is not available.

#### **Display**

4" full-color touch screen LCD 540 x 540 pixel display

#### Thermostat sensors

Temperature Humidity Proximity (radar) Occupancy (radar)

#### Sustainability

Energy Star Certified
Fully recyclable or compostable packaging
Tapioca insert packaging
Mercury-free
Arsenic-free
PVC-free

#### **Features**

RoHS compliant

Radar occupancy & proximity sensing Multi-speed Fan support Control through iOS & Android apps and Apple Watch

## **Temperature range**

Desired: 45°F to 92°F (7°C to 33°C) Display: 40°F to 100°F (5°C to 37°C) Sensitivity: +/- 1°F (+/- 0.5°C)

Operating: 14°F to 122°F (-10°C to 50°C)

#### **Humidity range**

Display: 20% to 90% RH Sensitivity: +/- 5% RH

Operating: 5% to 95% RH (non-condensing)

#### Storage

Temperature: -31°F to 113°F (-35°C to 45°C) Humidity: 5% to 95% RH (non-condensing)

#### What's in the box

ecobee Smart Thermostat Enhanced Backplate Wire labels Screws & drywall plugs Power extender kit Trim plate/adaptor plate Quick start guide

#### Warranty (Pro install only)

Industry-leading 5-year warranty.

#### **Product dimensions**

Smart Thermostat Length: 103.89 mm (4.09 in) Width: 103.89 mm (4.09 in) Depth: 23.88 mm (0.94 in)

Trim Plate

Length: 143.5 mm (5.65 in) Width: 159.9 mm (6.29 in) Depth: 7.71 mm (0.3 in)

Power Extender Kit Length: 62 mm (2.44 in) Width: 62 mm (2.44 in) Depth: 23 mm (0.90 in)
